PADI Instructor class Schedule 2022

We will be conducting two programs in 2022. Both programs include the full Emergency First Response Instructor (EFRI) class and the full PADI Instructor Development (IDC) class.

The path to becoming a PADI Instructor with us is a four step process:

Step I: IDC eLearning.

This can be started anytime and must be completed before the candidate can start Step II. The eLearning code will be sent to you as soon as the IDC crew pack has been purchased from Dive Experience.

Step II: IDC/EFRI Knowledge Development—Interactive with Zoom

IDC eLearning (above) must be completed before Step II

Spring Program sessions: Saturday & Sunday March 26, 27 **and** April 2,3

Fall Program sessions: Saturday & Sunday, October 29,30 **and** November 5,6

Step III: In person learning—water sessions and dry/wet workshops. Conducted in Christiansted, St. Croix.

All eLearning as well as both Zoom sessions must be completed before Step III.

Spring Program: Sunday, April 17-Thursday, April 21

Fall Program: Sunday, November 13-Thursday, November 17

Step IV: Instructor Exam (IE). Conducted by PADI staff in St. Croix.

All components of the IDC must be successfully completed before attendance at an IE.

Spring Program: Friday and Saturday, April 22,23

Fall Program: Friday and Saturday, November 18, 19

Costs, materials required and St.Croix information will be sent upon request.
